For Kids!

Children's Circle Preschool of Second Presbyterian Church, Indianapolis Letter from Cara Paul, Director

Dear Parents,
We take a lot of pictures here at CCP. Some we use for special projects, others are just because, but either way, our cameras (yes, we still use digital cameras) get a workout! I was recently scrolling through our picture files looking for just the right picture for a report I was completing. I was struck by a few things. First, I was amazed by how much our little people have changed over the course of this school year. Toddlers no longer look like babies; Pre-K kiddos are much taller than they started the year. I even noticed a few who seem to have darker hair now. What a difference eight

months makes! I could really see our students' personalities in the photos too. Some children are heavily featured front and center in picture after picture. They are the ones who seek out the camera, while others are content to be in the background. I found myself giggling a lot as I scrolled through. Last, I noticed that all the pictures were filled with smiles. I think most of our students are naturally happy and smiles come easy. But so many photos showed how much they were enjoying what they were doing- showing off their amazing block structure, having fun in the dress up area, sharing

a book with a friend. These smiles tell me that they have truly enjoyed their time at school this year, that they found their place in their own little classroom community, and that they felt safe and loved. It has been our absolute pleasure to be their happy place and to watch them grow and learn. Because of you and your children, we at CCP have also found our happy place, and we are truly grateful to have shared this school year with you all.
Blessings,

Cara

Happy Memorial Day!

What's up with that?
Vroom! Vroom!
What is that loud noise I hear?
It's a car race!
It's called the Indianapolis 500!
Every May, in Indianapolis, 33 cars race around a track to see who can go the fastest!
They have to go around and around 200 times!
That makes me dizzy to think about!
The cars are colorful and have big wheels. The drivers have to learn to drive safely to go as fast as they do!
It's fun to live in Indianapolis.
Especially in May! -ka

Music & Movement

This Month's Theme: Mother's Day, Butterflies, Seasons

Special Person (Eensy, Weensy Spider)

A mommy's a special person so hug her every day.
She gives you lots of food to eat
and takes you out to play.
Mommy reads you stories and buys you tennis shoes.
I'm so happy that you have a mommy who loves you, too.

Sun (Row, Row, Row Your Boat)

Bright sun shining down,
Shining on the ground.
What a lovely face you have,
Yellow, big and round!

I love Mommy (Are you Sleeping?)

I love Mommy. I love Mommy,
Yes, I do. Yes, I do.
Mommy's are for hugging.
Mommy's are for kissing.
I love you. Yes, I do.

Little Seed (Twinkle, Twinkle)

I'm a little planted seed.
See the rain falling on me.
Sun shines down through the trees,
These are things that I need.
Oh, how happy they make me,
I'm a little growing seed.

Good Care (Mary had a Little Lamb)

Mommy takes good care of me,
Care of me, care of me.
Mommy takes good care of me,
because she loves me so.

Summer (Are You Sleeping?)

It is summer. It is summer.
Lots of fun. Lots of fun.
Sun is shining on me. Sun is shining on me.
I'll have fun! I'll have fun!

Butterfly (Up on the Housetop)

First comes a butterfly and lays an egg.
Out comes the caterpillar with many legs.
Oh, see the caterpillar spin and spin.

A little cocoon to sleep in.
Oh, Oh, Oh, Look and see. (2x)
Out of the cocoon, my, oh my,
Out comes a pretty butterfly.
